Terminal Multi-storey

Edinburgh Airport's under covered car park is an excellent choice for shorter trips. The car park benefits from direct access to the Security Hall from level 2 and fastTRACK security is included with all bookings

Why book this car park?

One of our closest car parks to the Terminal building, the Multi-storey car park offers undercover parking and fastTRACK Security. Your booking comes fully flexible as standard, making this a perfect choice whether you're travelling for business or pleasure.

Make use of the fastTRACK bridge that links the Security Hall and skips the hustle and bustle of the check-in hall. All you will need is your boarding pass, (e-ticket or paper copy), and have hand luggage.

Your parking reservation will still be valid for fastTRACK if you need to check-in or use bag drop.

Arrival and departure

Follow the signs for Edinburgh Airport and at the roundabout with the DoubleTree by Hilton hotel, continue straight ahead. At the next roundabout, take the second exit towards Terminal Parking. Drive up to the barriers on the right and take your ticket.

Drive straight ahead, over the mini roundabout. To enter the Multi-storey car park use the left-hand lane and reinsert your ticket.

To use fastTRACK, security, please present your parking ticket or your booking confirmation when requested at the fastTRACK desk..

fastTRACK security access is valid on this booking for up to five people.

On departure, put your ticket into the exit column, and the barrier will lift. In the event the barrier doesn't lift, please press the intercom for assistance.
